‘Come and join us...’

Accts Military Ministries International (MMI) holds a number of annual events for cadets, young officers and other ranks across Europe. They are a great way to meet new people who also have a military background, a chance to recharge the batteries, have fun and discover something new about yourself and the Christian faith. We are looking forward to welcoming you at an event. For more details and an application form please visit the web-site www.acctsmmi.com or www.amcf-europe.info or email europe@acctsmmi.com

We try to minimise the fees as much as possible and nobody should stay away for financial reasons. There may be additional support/sponsorship. The conference language is English but the events are usually multilingual. All the talks are normally in English and we can translate as appropriate but this is not a guarantee. In our activities we work with military chaplaincy where possible. Please pass this brochure onto your friends and colleagues within your armed forces. Accts MMI is a non denominational international Christian ministry. Everyone is very welcome to apply for a place.
